Re: Silent Auction items

Dear Donors,

The Cochrane High School Band Parent Association is a society that has been in existence for over forty years. We raise funds that benefit the incredible students in the Cochrane High School Band and Choral program, as well as certain aspects of the Cochrane High School Performing Arts program. The CHSBPA works throughout the year to raise money for the purposes of enriching the educational experience for the more than 150 students in these programs. Funds raised by the CHSBPA support the programs in numerous ways, including:

- a) Purchasing new instruments and equipment for the Cochrane High School Music program.
- b) Providing subsidies to attend festivals, tours and educational events.
- c) Providing clinicians, workshops and sectionals to improve the performance of the band as well as individual performers and sections.
- d) Providing professional clinicians and performers to assist with Performing Arts annual musical production.
- e) Providing financial assistance to students for music costs, where necessary.

We depend on the generosity of the fantastic communities of Cochrane and the surrounding area to help further our efforts. We are holding a silent auction at the Cochrane High School Winter Concert on December 10th and are currently looking for donation items so that we can meet our fundraising goals for the 2019/2020 school year. Cash donations are always welcome and donors will be provided with a tax receipt.

We truly appreciate your support.

Sincerely,

Tammy Dahl
Chair CHSBPA
