

Grocery Cards: Why not earn funds in your student account by purchasing Grocery Cards? You can buy them for yourself, or sell to family and friends. You purchase the card for \$100, and the card is worth \$100. Each grocery store has a different percentage (4-8%) that will be put into your student account.

Grocery Cards are available year-round for Co-op, Safeway, Sobeys, President's Choice (Superstore, No Frills), and Save-On Foods.

We will have cards available at all of our events, and will set some pickup dates this year. Please email your request to our Grocery Card coordinator Kathy Isinghood at chsbpa.grocerycards@gmail.com. Please make cheques out to CHSBPA and hand in to Kathy or band teacher for the safe.

Please use the regular order form for the \$100 gift cards (outside of the Holiday Blitz)

The **Grocery Card Holiday Campaign** offers a **higher percentage return** during the holiday season. Please complete regular order form from January 1st to September 30th or Holiday form October 1st to December 31st. Please make cheque payable to CHSBPA, and give to Kathy or band teacher. We will advise you of pickup date.
