

COCHRANE HIGH SCHOOL MUSIC PROGRAM TENTATIVE MUSIC CALENDAR 2021-2022

One year with the CHS music program holds a lot! The following is a tentative calendar list of what could be involved. Rehearsals, clinics, workshops, festivals, and performances are required activities to meet the course outcomes for our music classes. All students are expected to attend these. Although trips are not mandatory, they are highly encouraged and are incredible learning and performing opportunities for our students. We would love everyone to participate. Fundraising begins in September; all students are encouraged to fundraise to help with costs associated with some events – some fundraisers (like Grocery Cards) are super simple and high yield. In our music department, we strongly believe that *lack of money should not limit your child's involvement. Please let us know if we can help in any way in order to have your child participate in these formative events/experiences.*
